Island Park Elementary

Mercer Island School District

Recognized For:

- **Closing Gaps**
- **Growth**
- **Achievement**

The Washington State Board of Education (SBE), the Educational Opportunity Gap Oversight and Accountability Committee (EOGOAC), and the Office of the Superintendent of Public Instruction (OSPI) developed a new recognition framework that incorporates state level and local information to identify schools that are exemplars in terms of growth and achievement. This new recognition framework identifies schools along the entire continuum of support.

Achievement

Schools recognized for achievement demonstrate high overall performance across multiple Washington School Improvement Framework (WSIF) measures while working to reduce opportunity gaps for all students. Island Park Elementary is recognized for high achievement for the 2019 WSIF release by earning a score in the top 20 percent of the state in the following measures:

English Language Arts Proficiency

Math Proficiency

Regular Attendance
