

## Warden Elementary Warden School District

## **Recognized For:**

The Washington State Board of Education (SBE), the Educational Opportunity Gap Oversight and Accountability Committee (EOGOAC), and the Office of the Superintendent of Public Instruction (OSPI) developed a new recognition framework that incorporates state level and local information to identify schools that are exemplars in terms of growth and achievement. This new recognition framework identifies schools along the entire continuum of support.

**Closing Gaps** 

Growth

**Achievement** 

## WSIF Change for All Students WSIF Change for Targeted Groups Graduation Rate Rate

## **Closing Gaps**

Schools are recognized for increasing their overall Washington School Improvement Framework (WSIF) score across specific student populations by making systemic changes to close the opportunity gap and improve outcomes for all students. Warden Elementary is recognized for improving the overall WSIF score for targeted student populations.

Increased Overall 2018 Final Score WSIF from 2018 to 2019

Students with Disabilities 1.38 2.15 0.77
